The album was recorded in studios throughout the United States, with production from Sounwave, Terrace Martin, Taz "Tisa" Arnold, Thundercat, Rahki, LoveDragon, Flying Lotus, Pharrell Williams, Boi-1da, Knxwledge, and several other high-profile hip hop producers.				
To Pimp A Butterfly	**Alright** (feat. Pharrell Williams) (prod. Pharrell Williams)	Kendrick sat over "Alright" for about six months before the song was actually complete. This version presumably features Pharrell's original production present on Fabolous' tune and includes an open verse as Kendrick was looking for the right lyrics. Stated by Kendrick himself for GQ Style's holliday issue.	?:??			Confirmed	Not Available	N/A
To Pimp A Butterfly	**Alright (Remix)** (feat. Pharrell Williams) (prod. Pharrell Williams & Terrace Martin) (Alright (11))	Released onto Terrace Martin's Soundcloud on Dec. 15, 2015, before being removed from the platform. Jazz rendition of "Alright" by Terrace Martin with amissing verses and additional adlibs by Pharrell as well early production that shares almost the same instrumental as Fabolous' tune on "Awwright", as the song was originally his. Entitled "Alright (11)" in honor of To Pimp A Butterfly being nominated for 11 grammys.	4:25	Dec 15, 2015		Full	CD Quality	https://pillowcase.su/f/04d741

Black Panther: The Album	**Blackout [V1]** *(prod. 30 Roc, Twon Beatz, Mike WiLL Made-It, Axl Folie, Travis Walton & Sounwave)* (King's Dead, King's Dead!)	Mentioned by Jay Rock in an interview to Power 106 FM in January 2018. Original version of "King's Dead" with solo Kendrick rapping the chorus and a verse that would later be used by Jay Rock on release. Contains no Jay Rock vocals or other parts of the song. Notably does not feature a reference for any of Future's parts, meaning Future very likely wrote his own bars.	1:15	May 7, 2022		Full	CD Quality	https://pillowcase.su/f/b4fb9b
Black Panther: The Album	**King's Dead [V2]** *(ref. Future) (prod. 30 Roc, Twon Beatz, Mike WiLL Made-It, Axl Folie, Travis Walton & Sounwave)* (King's Dead, King's Dead II)	Future originally layed down a different verse for "King's Dead" which had the "La-di-da-di-da" part but Future only kept it so then it could be made as the outro of the song or whatever Kendrick felt it could've been used for. Ultimately, Kendrick kept his actual verse on the released version because that was his favorite part. Jay Rock was already added on the song at this point, but it's possible that a solo version of the track with Future-only exists with him freestyling so his verse can be cut down to his feature. Confirmed by Future in an interview with Genius released on January 15, 2019. Begins at 16:30s.	?:??	Jan 15, 2019		Confirmed	Not Available	https://youtu.be/3HQ9ew63_Q

Mr. Morale [V2]	**Somebody [V8]** **(feat. Beth Gibbons)** (For Me, Mother, Mother I Sober)	Recorded sometime in 2021 and is the latest known version of the song before it was reworked into "Mother I Sober". This version has lyrics from "Abortion Money", has the Beth Gibbons chorus, and uses boom-bap style production on the entire song which is similar to the chorus on V4 but less orchestral. It's possible that each verse is from "Abortion Money" while the hook remains the same.	?:??	Jan 12, 2024		Snippet	CD Quality	https://pixeldrain.com/u/giKiC
Mr. Morale [V2]	**Nigga News [V3]** (Worldwide Steppers)	A song from 2019 that was later reworked in 2021. Drake vs. Kendrick Lamar	**Drake - First Person Shooter** **(feat. J. Cole & Kendrick Lamar) (prod. Vinylz, Boi-1da, OZ, Tay Keith, Coleman & FNZ)** (Cole or Slap?)	Infodump regarding Kendrick shared by a trustworthy source mentioned Drake's "First Person Shooter" initially meant to have a feature from Kendrick, as it was J. Cole's wish having all of the three on the song. Drake didn't want to send the song to him, instead he only sent the instrumental, which was because he intended to "set Kendrick up for failure" (either not using his verse, trying to outrap him, or not even acknowledge him on the song). That's why he mentioned the song in his verse on "Like That". It's unknown if Kendrick actually recorded for it, but either way he declined having a feature on the song. Later confirmed by Kendrick himself on "euphoria".	N/A			Confirmed	Not Available	N/A
Drake vs. Kendrick Lamar	**Future & Metro Boomin - Like That** **(feat. Kendrick Lamar) (prod. Metro Boomin)**	Reddit user u/stopcappin claimed two months before "Like That" dropped that Kendrick sent Metro a 3 minute verse taking direct shots at Drake. The final version of the song only had about a minute for Kendrick's feature. The user claimed that the verse was cut down because Future thought it was "too disrespectful".	?:?? LP7	**Fred again... - Persona** ***(prod. Fred again...)***	*Kendrick asked Fred to write a song for the CHANEL show the week beforehand, with that song being officially titled "Persona". It could also be meant for Kendrick's upcoming album but that remains unconfirmed.*	?:??	Jan 23, 2024		Partial	High Quality	https://pillowcase.su/f/ca04db
LP7	**Black Hippy - Unknown [Project]**	*Jay Rock hinted during an interview at a TDE compilation for 2024. Top Dawg himself stated that a Black Hippy EP or album could be coming. It was teased once again by Top on Twitter after the Kendrick x Drake beef: "... it's time to wrap up this TDE 20yr anniversary compilation". Unknown if either actually features Kendrick, but it's possible.*	?:??			Rumored	Not Available	https://www.complex.com/mu https://twitter.com/dangerooki

[1] This is how long the song or mixtape is.

A song does not need to be leaked to have a length added if the length of the song is known.

[2] The date that entry leaked, released or surfaced online

NOT the date that track/project was made.

[3] The date that the song in question was made. If this is a specific file, then it refers to the date that it was exported/bounced.

[4] Snippet: Short segment of the track

Partial: Longer segment of the track but not entire

Full: Entire track

Confirmed: Said to exist by people who have worked with Kendrick in the past

Rumored: Said to exist by reputable people within the leak community. Please take with a grain of salt

Beat Only - Just the track beat that doesn't necessarily has the same length as the release or leak with vocals

[5] FLAC: 16/44.1kHz or greater
CDQ: 320kbps+
HQ: 128kbps up to 320 kbps
LQ: Anything lower
Recording: Recorded second hand

Most people can't tell the difference between FLAC, CDQ & HQ; LQ is noticeably worse. YouTube mp3s are usually in 256 kbps.
